

# Connect With Your Child's Classroom

Dear Parents,

This year we will be using **Pearson SuccessNet** as a tool to assist our educational curriculum here in the Pascagoula School District. Pearson SuccessNet offers you the opportunity to look inside your child's day-to-day learning.

**How to get started??? It's easy as 1,2,3!**

1. Access your internet browser
2. Enter the URL (site address) – <http://www.pearsonsuccessnet.com>
3. Then, use the login information **provided by your child's teacher.**

You will be amazed at how motivated and excited your child will be to share in the interactive learning experiences while studying at home. Watch as your child "teaches" you how to access the resources we utilize in the classroom. You can also click on the button that says **Pearson SuccessNet** to access the website. The button is located in the Arlington website, above the link you used to access this page.

## Have a GREAT school year!
