

This program has a special feature called Renaissance Home Connect. Renaissance Home Connect is a fun, easy-to-understand web-based interface that allows your child, you, and the teacher to share in the educational experience by viewing progress in certain Renaissance Place programs while outside of school.

You can view Renaissance Home Connect from any computer with an Internet connection. You must visit the Pascagoula School District Site (www.psd.ms), then click the “**Parents**” tab on the left side of the screen. In the “Important Documents and Links” section you will see a link to Renaissance Home Connect. From there, you will enter the login information that will be **provided by your child’s teacher**. You can also click on the button located in the Arlington Elementary website, just right above the link for this page.

Have a GREAT school year!
